Our ASA programs are made possible because of the parent volunteers who help to oversee the weekly gatherings. If you are willing to assist at each of the sessions in which your child is registered (or no less than 5), your child's enrollment fee will be reduced by 50 percent. For the programs that are longer in duration, the commitment can be split between two parents. If we do not receive a parent for all sessions, there is risk of cancelation. Please email Donna Blanch at donna.blanch@yahoo.com if you have questions.
