

FOOD ALLERGIES

React with Respect

Some kids can get very sick when they eat certain foods. This is called a food allergy. If someone tells you they have a food allergy, you should *react with respect*.

How do you respect food allergies?

Know that
food allergies
are very
serious

Wash your
hands
after eating

Don't share
your food
with friends
who have
allergies

Get help
right away if
a friend gets
sick

Show
kindness
