

Student Directory Information – Membership Toolkit

In light of the economic challenges the COVID-19 pandemic has placed on our community, the Greensview PTO will be waiving the \$20 membership fee and will be granting Greensview families access to all PTO communications and the online student directory. We hope that families will strongly consider supporting upcoming PTO fundraisers that support efforts including, but not limited to, our police officer traffic guard, teacher mini-grants, grounds beautification and virtual author visits.

Go to <https://greensviewpto.membershiptoolkit.com/home> to access the student directory.

If you are new to the school, please register for an account and follow the prompts to enter your information for your family and child(ren) as well as select what you would like published to be viewable by other families. If you already have a Membership Toolkit account, please just update your information and publication preferences. Anything not published in the directory is only available to administrators.

Make sure to update your teacher information so other parents can find you. If your child is in the Online Academy, that is listed as a teacher option as well.

Once the primary account is set up for a family, the Primary User can “invite” other email addresses to access his/her account. This allows the Secondary Users to have their own login information, but still have access to the family account.

If you click Directory at top, you can Search for a student or family. You can sort by name, grade, etc. There is an app for Membership Toolkit that is free to download, and you can view the directory from mobile devices as well.

Thank you!

Kalpana Bicknell and Andrea Richey, PTO co-presidents
