

After School Adventure – Winter 2022

General info:

- Registration will be active Tuesday January 11 to Thursday January 20, unless classes fill up before, in which case they will automatically close.
- We ask that students conduct themselves as they would during the normal school day, namely be respectful to teachers, parent volunteers, and fellow students. Should behavioral issues arise, continued participation is based upon administrative and teacher discretion.
- Anyone who was promised a rebate for this winter session based on over-enrollment of the fall session please register as usual then reach out to greensviewasa@gmail.com for that rebate.
- A parent volunteer is needed for each class offered this winter. Should you wish to volunteer, your child will receive a 50% tuition discount on that class. Please reach out to greensviewasa@gmail.com if interested.

Creative Writing Adventures

Grades eligible: 1-5

Day: Mondays 3-4 PM

Dates: 1/24, 1/31, 2/7, 2/14, 2/28, 3/7

Eager Engineers

Grades eligible: 1-5

Days: Fridays 3-4 PM

Dates: 1/21, 1/28, 2/4, 2/11, 2/18, 2/25, 3/4, 3/11

Cost: \$120/student

Size: 10-20 students

Summary: Eager Engineers is about hands on learning with Lego's, K'Nex, Citiblocs, batteries and more. We want your child to be exposed to ideas like *Simple Machines, Fulcrums, Aerodynamics, Reflection of Light* and more. Each week, we introduce an educational concept, and then build it! With this we build excitement, discovery, self-confidence – and learn a few things too! New projects each & every week. Winter session material will be different from material covered in the fall, so returning students are welcome!
