

## ASA Offerings Spring 2022

### General info:

- Registration opens Monday March 28 and closes Monday April 4, unless classes fill up before, in which case they will automatically close.
- Safety and behavior disclosure: instructors and parent volunteers will use reasonable care in supervising students during ASA sessions, however students should expect to conduct themselves as they would during the normal school day, namely, exercise personal responsibility and show respect towards teachers, parent volunteers, and fellow students. Should disruptive or destructive behavior arise, instructors and parent volunteers may use their discretion in allowing continued student participation.
- A parent volunteer is needed for each class offered. The parent volunteer will receive 50% off fees for their child/student participant! Please reach out to [greensviewasa@gmail.com](mailto:greensviewasa@gmail.com) if interested.

**Cost:** \$125/student

**Size:** 10-25 students

**Summary:** all aspiring designers, models, and moguls are invited to participate. Multihyphenate stylist/designer/coach Priscila Teixeira will assist students as they identify their personal style

and develop the skills to bring it to life on the Runway. Viewing personal style through the lens of self-empowerment, this class will begin with ideation around the power of style and fashion; then, students will identify a garment, piece, or technical function that expresses their personal style or strengths. Remaining classes will be used to create pieces using paint, fabric, thread and (almost) whatever means necessary, and/or plan the catwalk debut of said piece(s). The final class will set up and produce a fashion show, where final products will be modeled to parents, friends, and other fashion elite.

**Location:** Greensview Art Room (124)
